Research Partnerships (CHIRP). Read more about CiAP at this link: https://www.uwinnipeg.ca/psychology/certificate-in-applied-psychology.html

Students applying for further study in clinical and counseling psychology, social work, medicine, occupational therapy, speech pathology, among other programs, may find this certificate valuable in documenting volunteer activities in organizations that apply principles of psychology (e.g., social service agencies, educational institutions). Students completing any degree program are eligible to complete the Certificate. Moreover, a student may take PSYC-3790 without completing the practicum component. This is not a stand-alone Certificate: it must be completed in tandem with a degree.

Admission Requirement: Interested students should contact the Department of Psychology in the spring prior to enrolment in the fall course, **PSYC-3790(3).**

Graduation Requirement: Students request the certificate once all the requirements have been met by completing a form available at the Department of Psychology. A minimum 3.00 in PSYC courses is required at the time of application for the certificate.
