

The University of Winnipeg has established a recognition award for meritorious contributions by faculty and support staff with respect to campus sustainability. To be consistent with principles of promoting sustainability, this award is conceived as primarily honorary in nature, rather than material or incurring consumption of new resources. Recipients must have made significant contributions to promoting the environmental, social and/or economic sustainability of The University of Winnipeg either over their entire career with the University, or specifically during the past academic year. Please note that the recipient of this award cannot be a manager or employee of the Campus Sustainability Office.

Detailed information with respect to this award can be found at:
