

	Dress Measurements	Adjustment for creating pattern	Adjusted measurement	Extra for inseam/hem and comfort *	Pattern Measurements
A	Dress Length** (back of neck to where you want your dress)			+ 4"	
B	Shoulder to shoulder	/ 2		+ .5"	
C	Bust (measured comfortably)	/ 4		+ 1.5" or 2"	
D	Waist (measured comfortably)	/ 4		+ 1.5" or 2"	
E	Hips (measured comfortably)	/ 4		+ 1.5" or 2"	
F	Zipper length (neckline to waistline)				
G	Bottom skirt width (choose your preference for width)		15" to 16.5"		
	60" to 66"	/ 4			
H	Sleeve length-shoulder to where you want the sleeve to end			+ 2"	
I	Upper Arm Circumference	/ 2		+ 1" or 2"	
J	End of Sleeve Circumference	/ 2		+ 1" or 1.5"	****
K	Shoulder to measurement "I"				
	6" or 7" ***				

*If you prefer more room in your dress choose the larger addition on your measurements. If you prefer a tighter fit choose the smaller addition to your measurements

*** A larger K measurement will result in a puffier sleeve. So will adding extra to measurement I, Upper Arm Circumference

**** The pattern measurement for the end of sleeve circumference should be a minimum of 5" for a teen/adult.
